Notes.—In determining the rate of pay to which an officer is entitled, (a) determine the base pay by reference to rank and service¹ or pay period purposes, (b) then determine the applicable rate of pay according to that base pay increased by 5 percent for each 3 years of service for longevity purposes up to 30 years. These footnotes constitute statements of law. For detailed information, Instructions in Bureau of Supplies and Accounts Manual must be consulted.

Service for longevity purposes—

(a) **Commissioned officers, except commissioned warrant officers.**—For purposes of computing pay of commissioned officers on active duty, commissioned service, including retired service, active and inactive, in the Army, Navy, Marine Corps, Coast Guard, Coast and Geodetic Survey, Public Health Service, Organized Militia prior to July 1, 1916, active National Guard (of the several States, Territories and the District of Columbia), National Guard Reserve, National Guard of the United States, Officers Reserve Reserve, Reserve Corps of the Public Health Service, Public Health Service, Naval Reserve, Marine Corps Reserve Force, Marine Corps Reserve, Coast Guard Reserve, Reserve Corps of the Public Health Service, Public Health Service, and for officers of the Navy appointed pursuant to the Act of August 27, 1940, active service under an appointment made in the grade of aviation cadet (as distinguished from enlisted aviation cadet) shall be counted. Officers who were in the service on June 30, 1922, and who have been continuously in service since that date shall count, in addition, any service which was then counted in computing longevity pay and service as a contract surgeon serving full time.

During the existence of war declared by Congress and for 6 months immediately following termination of such war, in computing the pay of commissioned officers on active duty, all service, including retired service, active and inactive, in commissioned, warrant, and enlisted status in any of the services mentioned in the preceding paragraph, the regular Army Reserve and the enlisted Reserve Corps of the Army shall be counted.

(b) **Commissioned warrant officers.**—For purposes of computing longevity pay of commissioned warrant officers, commissioned service, active and inactive in the Army, Navy, Marine Corps, Coast Guard, Coast and Geodetic Survey, and Public Health Service, and the Reserve components thereof, and in the active National Guard shall be counted. Commissioned warrant officers in the service on June 30, 1922, shall count, in addition, any service which was then counted in computing longevity pay.

(c) **Warrant Officers.**—For purposes of computing longevity pay of warrant officers, active Federal service in the Army, Navy, Marine Corps, Coast Guard, Coast and Geodetic Survey, and the Reserve components thereof, shall be counted; and in addition, service (active and inactive) in the active National Guard, National Guard Reserve, Reserve Corps of the several States, Territories and District of Columbia, Naval Reserve (including Fleet Reserve), Naval Reserve Force, Marine Corps Reserve, Marine Corps Reserve Force, and Coast Guard Reserve.

Service for pay period purposes—

(a) **Commissioned officers, except commissioned warrant officers.**—For purposes of determining the pay periods of commissioned officers, such service as may be counted in computing longevity pay shall be counted.

(b) **Commissioned warrant officers, U. S. N.**—For purposes of determining the pay periods of commissioned warrant officers of the Navy, Marine Corps, and Coast Guard, with creditable record on the active list, only active commissioned service in the Navy, Marine Corps, and Coast Guard, and the Reserve components thereof shall be counted.

(c) **Commissioned warrant officers, U. S. N. R.**—For purposes of determining the pay periods of commissioned warrant officers of the Navy, Marine Corps, and Coast Guard, with creditable record on the active list, commissioned service, active and inactive, in the Navy, Marine Corps, and Coast Guard, and the Reserve components thereof shall be counted.

Rental allowance.—An officer without dependents is not entitled to rental allowance under any of the following conditions: (a) while he is on sea duty unless the sea duty is temporary duty not exceeding three months; (b) while he is on field duty unless his commanding officer certifies that he was necessarily required to procure quarters at his own expense while he occupies (or is assigned) public quarters. An officer with dependents is not entitled to rental allowance under any of the following conditions: (a) while he is assigned public quarters and his dependents are not prevented by reason of orders of competent authority from dwelling with him; (b) while his dependents occupy public quarters.

Subsistence allowance.—Subsistence allowance on this table is computed on the basis of 365 days in a year.

Base pay.—Base pay is payable only to commissioned and warrant officers with less than 3 years of service for longevity purposes. All other officers are entitled to the pay shown in the appropriate columns of the table above, i. e., base pay plus a longevity increase amounting to 5 percent for each 3 years of service (as defined in footnote 1) up to 30 years.

Warrant officer promoted to commissioned warrant officer.—A warrant officer promoted to commissioned warrant officer may be paid the pay provided for a warrant officer if greater than the pay of a commissioned officer. When the total pay and allowances of a commissioned warrant officer shall exceed the rate of \$458.33 per month, the amount of the rental allowance to which such officer is entitled shall be reduced by the amount above \$458.33.

Commissioned warrant officers during first 10 years of commissioned service.—An officer of commissioned service is entitled to base pay at the rate of \$2,100 per annum and the allowances of the second pay period; a certificate of creditable record is not required.
